PROFILE

I am motivated by two simple questions “Does it work?” and “How can it be better?” Whether it’s graphic design or something a bit more technical, I observe the present reality and then ruthlessly pursue ways to improve. This is what drives me.

EXPERIENCE

Graphic Designer/Technology Director

Feb 2008 - Present, W3CU, Winchester OH

Developed marketing and communications methods, including branding, direct mail, and web design. Implemented numerous technical systems including VOIP, automated lighting, and digital sound mixing.

Principal Actor, “Radio City Christmas Spectacular”

Oct 2005-Dec 2010, Madison Square Garden Entertainment, New York NY

Performed alongside a large team of world-class creative and technical professionals. Gained understanding of production, sound, lighting, and staging techniques.

Lead Character, “Barney’s Let’s Go Tour”, “Barney’s Colorful World”

January 2003 - May 2006, Hit Entertainment, Dallas TX

Performed and toured through North America and parts of Europe

TECHNICAL PROFICIENCY

Computer related: Windows XP/7, Mac OS X, MS Office, Adobe CS5 (Photoshop, Illustrator, InDesign, After Effects), Final Cut Pro, Aperture, some HTML & CSS

Other: Photography, Videography (HDSLR), Live Audio
